

Step # 8

Final Touches

1. Complete your experiment or collection
2. Write the final copy or your written report (optional for grades K–2)
3. Do your lettering to be mounted on your display
4. Add graphs, charts, drawings and photos to the display
5. Assemble your apparatus or collection; use your checklist to remember everything

Keep up the good work! **I hope you have all turned in the sign-up sheet.** If you have not, please do so as soon as possible.

The judging sheet for the Science Fair is posted on the Science Fair website. You should look it over to see for what the judges are looking. If you have any questions about the judging or the day of the Science Fair, you can call me (Mrs. Manning) at 831-9018.

1. Proof read your written report
2. Practice setting up your display at home
3. Make a list of everything you need to bring to the Science Fair **If your project requires electricity, please bring an extension cord if you have one, just in case we need it.**
4. Congratulations on a getting it done!
